	12.8 - Arambagh	311
	12.9 - Rishra	312
	12.10-Konnagore	313
	12.11 - Uttarpara-Kotrang	314

## I N T R O D U C T I O N

Hooghly is a third smallest district in West Bengal. Its geographical area is 3.5% of West Bengal but 6.5% of total population of West Bengal live in this district. The density of population is quite high and it is on the increase. But the area under cultivation could not be increased. Establishment of industries, conversion of land and for residential purposes, Sand quarries, Brick Clin etc. have threatened to shrink the area under cultivation. Hence our main objects to increase production per unit of area. Since Rice constitutes the major foodgrain, emphasis has been given to increase productivity by bringing more area under High Yielding Varieties with improved agronomical practices. The area under H.Y.V. has gone up during last decade from 38% to 59%. Yield per hectare has also been satisfactory in comparison to State figure. Consumption of fertiliser is a positive indicator of adoption of improved package of practices. During 1984-85, consumption of NPK per hectare was 146.6 Kg. against State consumption figure of 52.7 Kg. The area under oilseed crop particularly Mustard has also gone up during last 4 or 5 years. Introduction of Groundnut after Potato crop was started more or less as an experimental basis a few years back and it proved to be very successful. The area under Groundnut which was 7,2 hectares in 1980-81, went up to 1416 hectares during 1985-86. It is expected that with the availability of quality seeds in time, the acreage would increase further.

As the cropping intensity is very high, the farmers are being advised to apply organic manure for maintenance of soil health. Farmers are encouraged to grow green manure crop. Dhaincha seed is being made available to small and marginal farmers as Minikit from District Plan Fund for the purpose. Another new crop of economical value, which has been introduced recently, is Elephant Fruit-Kavoor variety from South India. It is contemplated to supply this seed material to more farmers from District Plan Fund as Minikit.

Timely availability of quality seeds has always been a constant constraint as we have to depend mostly on the outside suppliers. To remove this constraint, production of certified seeds of Paddy was started in 1985-86 in 20 acres only. In 1986-87 the area was increased to 140 acres. In 1987-88 not only Paddy but Mustard, Potato, Till have been brought under this certification programme. This figure, however, does not include the programme of C.A.D.C. It is expected that in future, it will be possible to meet a substantial portion of our requirement from the seeds produced under the certification programme.

# Chapter-II

## 2.1 - A\_G\_R\_I\_C\_U\_L\_T\_U\_R\_E -

Sl. No.	Name of the Scheme.	Brief description of the scheme.	Physical Target.	Requirement of Fund for 1988-89 (Rs. in lakh).	Source of Fund			Remarks.
					Deptt. Plan	Dist. Plan	Outlay (Rs. in lakh).	
1	2	3	4	5	6	7	8	
1.	Production & Distribution of Organic manures including Grant-in-Aid to municipalities (Local manurial resources).	To encourage production of quality manures.	670000 M.T.	0.40	0.40	-	-	Schemes marked with asterisk (*) are centrally sponsored/ Central Sector.
2.	Blue Green Algae and Azolla demonstration.	To popularise Bio-fertiliser.	-	0.15	0.15	-	-	Sector-wise share of proposed allocation has been shown against these schemes.
3.	Scheme for strengthening of State Plant Protection Organisation including Quality Control (NORMAL/S.C.P./T.S.P).	Establishment charges of P.L.P. Schemes, Trg., Quality Control, Subsidised distribution & purchase of equipment and spare parts.	-	1.45	1.45	-	-	(*) Rs. 3.5 lakh to be borne from the Central Sector.
4.	National Oilseed Development Project (Centrally Sponsored).	To popularise Oilseed cultivation for increasing production.	-	7.00	3.50	-	-	
5.	Oilseed Dev. Scheme including Safflower (Normal/S.C.P./T.S.P).	To increase Oilseed cultivation.	1945 D.C.	2.65	2.65	-	-	
6.	Coconut Development Scheme (Normal/S.C.P).	Raising of seedlings in Govt. Farms & distribution at no profit no loss basis.	81,250 Nos.	6.50	6.50	-	-	
7.	Integrated Spices Development Scheme.	To demonstrate spice cultivation for popularisation.	165 ha.9	0.08	0.08	-	-	
8.	Pulse Dev. Scheme (Normal/S.C.P).	To increase Pulse cultivation.	3463 ha.	0.85	0.85	-	-	

1	2	3	4.	4 5.	5.	6.	7.	8.
9.	Sugarcane Development Scheme (Normal/S.C.P).	To increase area under Sugarcane cultivation.	-	-	0.45	0.45	-	The Dist. have no area to utilise the entire amount i.e. Rs.1.10 lakh. Also quality seeds are not available.
10.	Betelvine Development Scheme.	To Demonstrate improved method of cultivation.	-	-	0.42	0.42	-	
11.	Scheme for introduction & popularisation of improved implements and motorlifts (Normal/S.C.P.).	For efficient management of field crops.	168 Nos.	-	0.42	0.42	-	
12.	Distribution of Metallic Bins (Normal/S.C.P./T.S.P.).	To encourage and assist Small & Marginal farmers for scientific storing of Agril. production.	162 Nos.	-	0.21	0.21	-	
13.	Subsidised sale of H.Y.V. Foddy seeds (Normal/S.C.P./T.S.P).	To saturate the area with H.Y.V. and give relief to the Small & Marginal farmers.	-	-	3.35	3.35	-	
14.	Scheme for assisting Small & Marginal farmers for increasing Agril. production.							
a)	Minikit of seeds & fertiliser for Oilseed & Pulses (Normal/S.C.P).	To assist Small & Marginal farmers to grow Pulse & Oilseeds.	25,712 Nos.	-	14.10	7.05*	-	*Balance Rs.7.05 lakh to be borne by Central Govt.
15.	Farmers' Study Tours within and outside State (Normal/S.C.P./T.S.P).	Study Tours of Farmers to visit the places of agricultural interest.	22 Nos.	-	0.15	0.15	-	
16.	Farmers' Training Centre (Normal/S.C.P).	To impart Trg.to farmers and farm-women on improved training and food preservation.	56	-	0.38	0.38	-	

1.	2.	3.	4.	5.	6.	7.	8.
17.	*Project for increasing Pro- duction & productivity of Rice (S.R.P.P.) (Normal/S.C.P./T.S.P).	To increase Rice production in- tensively.	4 Nos. block. Retting Tanks.	39.96 say 40.00	19.98(*)	-	*50% Plan Outlay will be available from Central Govt. & 50% from State Govt.
18.	*Intensive Jute Dist. Pro- gramme (Normal/SCP/TSP).	To intensify Jute Growing area.	53 Nos.	2.84	1.42*		
19.	*Construction of Rural Godown (Normal).	To help the farmers to arrest distress sale of their produce.	3 Nos.	0.70	0.70		Proposed State share have been shown.
20.	Subsidy to Small farmers for construction & improvement of storage structures (Normal/ S.C.P/TSP).	To save the storage loss at farmers' house.	14 Nos.	0.45	0.45		
21.	Scheme for Training in gra- ding of Jute (Normal/SCP/TSP)	To impart trg. in scientific method of grading Jute fibre.	20 Nos.	0.50	0.50		Scheme Nos. 19, 20, 21, 22 & 23 are prepared by the Supdt. of Agril. Marketing, Hooghly.
22.	Development of Rural & Pri- mary Markets (Normal) at Khanakui-I.			3.00	3.00		
23.	Subsidy to Bullock Cart owners (Normal/SCP/TSP).		13 Nos.	0.40	0.40		
24.	Re-organisation of Horti- cultural Research & Develop- ment (Normal).		-	0.37	0.37		
25.	Supply of Minikit of Dhaincha Maize, Til, Groundnut and 'Kavoor Oil'.	To assist Small & Marginal farmers to grow new crops and encourage to take up Green manuring.	-	5.0	-	5.00	
TOTAL:				91.76	54.83	5.00	31.95

ITEM-WISE BREAK UP

	(iv)	P.P.Equipments.	70 nos.	17,500.00			
					85,000.00		

1.	2	3	4	5	6(a)	6(b)	7
	9. Sugarcane development.	To increase the area under Sugarcane cultivation.					
	(Normal)	(i) Demonstration Centre.	61	13,725.00			1. The Dist. have no such area to utilise the entire fund i.e. Rs. 1.18
		(ii) Supply of sprayers at subsidised rate.	61	20,130.00			
		(iii) Training of Farmers etc.	1	1,100.00			2. Quality seed cane is also not available to fulfil the requirement.
		(iv) Ikshu Utsab.	1	1,500.00	38,000.00		
		(v) Prize money.	3	1,100.00			
		(vi) Contingency.		445.00			
	(S.S.P.)	(i) Demonstration Centre.	9	2,025.00			
		(ii) Supply of sprayers at subsidised rate.	9	2,970.00	6,595.00		
		(iii) Training of Farmers.	1	1,100.00	7,000.00		AS ABOVE.
		(iv) Contingency.	-	500.00			(STATE SECTOR).
					<u>45,000.00</u>		

1.	2.	3.	4.	5.	6(a)	6(b)	7
10. Betalvine Development.							
		To demonstrate improved method of cultivation.					
		Trial Cum D/C.	70	28,000.00			
		Nursery.	1	12,000.00	42,000.00		State Sector.
		T.E.		1,500.00			
		O.E.		500.00			
11. Scheme for introduction and popularisation of improved implements and water lifts.							
		For efficient management of Field Crops.					
		(i) Normal.	100	27,000.00	27,000.00		
		(ii) S.C.P.	60	15,000.00	15,000.00		
					42,000.00		

1.	2.	3.	4.	5.	6(a)	6(b)	7
12.	Distribution of Metallic Bins.	To encourage and assist Small & marginal farmers for scientific storing of Agril. Produce.					
(a)	Normal.		70 Nos.	8,960.00	8,960.00		
					say-		
					9,000.00		
(b)	S.C.P.		46 Nos.	5,888.00	5,888.00		
					say-		
					6,000.00		State Sector.
(c)	T.S.P.		46 Nos.	5,888.00	5,888.00		
					say-		
					6,000.00		
					21,000.00		
13.	Subsidised sale of High yielding Varieties Paddy seeds.	To saturate the area with HYV Paddy and give relief to the Small & Marginal Farmers.					
(a)	Normal.			2,50,000.00			
(b)	S.C.P.			60,000.00			
(c)	T.S.P.			25,000.00			State Sector.
14.	Scheme for assisting Small & Marginal Farmers increasing Agril. production (Central Sector).	To assist Small & Marginal Farmers to grow Pulse & Oilseeds.					
(a)	Minikit of Seeds & Fertilisers for Oilseeds & Pulses (Normal & S.C.P.)	(i) Mustard @ Rs.16/-	16,312	2,60,992.00			
		(ii) Lentil @ Rs.85/-	800	68,000.00	7,85,000.00		50% Plan out-lay will be available from Central Sector.
		(iii) Moong @ Rs.49/-	3,500	1,71,500.00			
		(iv) Groundnut @ Rs.178.50	5,100	9,10,350.00			
				14,10,000.00			

1	2.	3.	4.	5.	6(a)	6(b)	7
15.	Farmers Study Tours within and outside State.	Study Tour of Farmers to visit the places of Agricultural importance.					State Sector Scheme.
		(a) Normal-					
		i) Outside State @ Rs. 1000/-	7 Nos.	7,000.00	10,000.00		
		ii) Inside State @ Rs. 300/-	10 Nos.	3,000.00			
		(b) S.C.P.					
		i) Outside State @ Rs. 1000/-	3 Nos.	3,000.00	3,000.00		
		(c) I.S.P.					
		i) Outside State @ Rs. 1000/-	2 Nos.	2,000.00	2,000.00		
					15,000.00		
16.	Farmers' Training Centre (Normal).	To impart Training to farmers & farm-women on improved farming and food preservation etc.					
		(i) Short course training for farmers and farm-women-3 days duration @ Rs. 600/- per Camp.	18 Nos.	10,800.00			
		(ii) Do- for one day duration @ Rs. 100/- per Camp.	37 Nos.	3,700.00			
		(iii) Field Visit @ Rs. 100/- per visit.	33 Nos.	3,300.00			
		(iv) Demonstration Camp for Farm women-1 day duration @ Rs. 100/- per Camp.	9 Nos.	900.00	25,000.00		State Sector Scheme.
		(v) Contingencies for Charcha Mondals.	20 Nos.	2,000.00			
		(vi) Kissan Mela @ Rs. 2000/- per Mela.	1 No.	2,000.00			
		(viii) Office Expenses.	-	2,300.00			

1	2	3	4	5	6(a)	6(b)	7
16.	Farmers' Training Centre (S.C.P.)	To impart training to Farmers & Farm-women on improved farming & food preservation etc.					
	(i)	Short Course Training for Farmers & Farm-women-3 days duration @ Rs.600/- per Camp.	10 Nos.	6,000.00			
	(ii)	-Do- for one day duration @ Rs.100/- per Camp.	20 Nos.	2,000.00			
	(iii)	Field visit @ Rs.100/- per visit.	7 Nos.	700.00			
	(iv)	Demonstration Camp for Farm-women-1 day duration @ Rs.100/- per Camp.	5 Nos.	500.00			
	(v)	Training for Convenors of Charcha Mondel @ Rs.600/- per Camp.	3 Nos.	1,800.00			
	(vi)	Kissan Mela @ Rs.200/- per Mala.	1 Nos.	2,000.00			
					13,000.00		State Sector Scheme.

HOOGHLY IRRIGATION DIVISIONREPORT OF PLAN WORKS FOR 1987-88

This Division is entrusted with Works on the all the Major Drainage Channels of the District. In the State Plan there are three major heads where funds are made available.

1. GHEA KUNTI BASIN DRAINAGE SCHEME (PHASE I & II).

The scheme was envisaged for drainage of about 358 Sq. miles in the District of Hooghly at a sanctioned estimate amount to Rs.2,850.00 lakhs. The basin are suffers from cronic drainage congestion as most of the rivers and the channels in this are do not have sufficient capacity to drain the basin. For providing efficient and adequate drainage facilities, the channels are to be re-sectioned along with remodelling or construction of the structures thereon. During the year 1987-88, there were proposals for construction of five nos. bridge and 12 nos. of other structures out of which works on two nos. of bridges are completed and works of three nos. are still continuing. Works on three nos. of Bridge could not be taken for land problem - vacating land, public objection due to non-payment of land cost of one no. of bridge.

Under this scheme an amount of Rs.2.95 crores has been paid to the Railway Deptt., for extention of Eastern Railway Main Line bridge and Rs.1.00 crore to the N.H. Wings P.W.D., for extention of MH<sub>2</sub> By Pass Bridge.

2. ANTI-EROSION & BANK PROTECTIVE SCHEMES ON RIVER HOOGHLY.

Under these heads, a length of 250 metres have been protected as per sanctioned scheme at Uttarpara, Dargotale Lane Ghat. Some more works are expected to be taken up at Seoraphuli, Addy-Ghat.

3. REVISED LOWER DAMODAR SCHEME.

The Scheme has not yet been sanctioned or cleared by the Planning Commission though some provision in the budget has been made against this Scheme

- 61(a) -

contd.....2

- 2 -

- 61(b) -

There is a very large outstanding liabilities on payment of compensation of land of the old "Improvement of Lower Damodar Area Stage-I, II & III" Scheme now abandoned. These liabilities are gradually being cleared from the available funds. Besides there are a number of Arbitration Cases connected with the abandoned works for which payments are being made as and when necessary. No physical work on the scheme has yet been taken

## HOOGHLY IRRIGATION DIVISION

Sl.No.	Name of Scheme.	Brief description of the Scheme.	Physical Target (1988-89)	Requirement of State Fund for (1988-89) (Rs. in lakhs.)	Sources of funding.	Remarks
(1)	(2)	(3)	(4)	(5)	(6)	(7)
B.	Flood Control, Drainage Anti Water Logging and Anti Sea-Erosion Project.	The scheme was envisaged for drainage of about 358 Sq.Miles in the district of Hooghly at a sanctioned estimated amount of Rs.2,850.00 lakhs. The Basin Areas suffer from chronic drainage congestion as most of the rivers and the channels in this area do not have sufficient capacity to drain the Basin. For providing efficient, adequate drainage facilities, the Basin Area has been divided into three Zones having three independent Outfall to river Hooghly at Champdani, at Tribeni and at Madhusudanpur and proposed to be executed in two phases. In first phase- The Channels in their lower reaches are to be re-sectioned alongwith re-modelling or construction of the structures thereon and 1st 2nd. Phase- The channels in their upper reaches are to be re-sectioned along with the construction of structures thereon.	A) Continuing Work:- (Including spill over works of 1987-87) Bridge - 18 Nos. (eighteen Nos.) Regulator - 1 No. Inlet - 20 Nos. (Twenty Nos.) Building - 1 No. Main Line Railway Bridge-1 No. B) New Work proposed to be taken up: Bridge - 10 Nos. (Ten Nos.) Syphon - 1 No. Inlet - 20 Nos. Building - 5 Nos.	260.00	Departmental Plan Outlay.	Revised physical target of G.K.B. or Scheme for the year 1987-88 is enclosed herewith in separate sheet.
1)	Ghea-Kunti Basin Drainage Scheme. (PHASE - I & II).

**ANNEXURE - A**

A brief description of the schemes to be implemented  
during 1988-89 by the Districts.

**Rural Development**

Other Rural Development Programmes (Panchayati Raj).

**1. Strengthening of implementation machinery for Panchayats:**

The fund earmarked to the districts is mainly meant for purchasing vernacular type writers for the Panchayat Samities which have typists/Clark-cum-Typists trained in Bengali/Nepali (for hill areas of Darjeeling) typing and cyclostyling machines for the Panchayat Samities which have heavy workload and steel almirahs with lockers at a cost not exceeding Rs. 2,500/- each for some Gram Panchayats. The salaries of the personnel against new posts sanctioned in North 24-Parganas Zilla Parishad Office is also to be met from this head.

**2. Grants for construction of Panchayat Ghar:**

The scheme provides for assistance to the Gram Panchayats for construction of their own office buildings @ Rs. 14,000/- or 2/3rd of the cost of construction, whichever is less, as matching grant for each Panchayat Ghar in terms of the "Scheme for construction of Panchayat Ghars".

**3. Expansion office building of Panchayat Samity & Zilla Parishad:**

This scheme provides for expansion/construction of office buildings of the Zilla Parishads and expansion of the administrative buildings of the Panchayat Samities to arrange additional accommodation for the elected functionaries and staff deputed by Government.

**4. Assistance to P.R. Bodies for construction and maintenance of Homoeopathic Dispensaries:**

Under the scheme the Gram Panchayats concerned will be provided with funds for purchasing medicine, essential equipments, apparatus and furniture for the selected State aided Gram Panchayat Homoeopathic Dispensaries situated in backward areas @ Rs. 3,000/- per dispensary.

**5. Assistance to P.R. Bodies for extension of existing Panchayat Ghars:**

This scheme provides for assistance for construction of storage facilities to Gram Panchayats which have already constructed their own office buildings @ Rs. 20,000/- in the maximum for each such Gram Panchayat.

Chapter- IX

## 9.1. Animal Husbandry

District Plan in respect of Animal Husbandry Directorate under the Departmental of Animal Husbandry & Veterinary Services in respect of Hooghly District for the year 1988-89.

From the time immemorial, Animal Husbandry practice has been taken up by the cultivators and the farmers as agri-allied profession, civilisation and technology progress their habit in this respect for reinstating their socio-economic status.

From the State Govt. budget developmental efforts are being made to enhance this procedure of reinstating.

During the last year we have tried with successful attempts to complete the following work as a whole:-

Sl. Programme/Schemes/Item.	Achievement during the year 1986-87.	Remarks
<u>I. A.I. &amp; allied matters</u>		
1) Volume of extended biological product (Semen) produced.	127050 ml	
2) Volume of extended biological product utilised.	90530 ml	
3) No. of A.I. Cases performed.	71643 ml	
4) No. of calves born.	28046 ml	
5) No. of scrub Bulls Castrated.	2934 ml	
6) Fodder Development:		
i) No. of Fodder plots (extension Centres) established.	250 Nos.	
ii) No. of fodder minikits distributed.	4405	
iii) Qty. of fodder seed/cuttings distributed.	450 Kg.	
7) Establishment charges (pay & allowances, office and other charges) for Sl.No.1.	29,63,918=07.	
<u>II. Special Livestock Production Programme (Spl. Animal Husbandry Programme).</u>		
1. No. of 50 layers units established.		
a) 1st phase.	13	
b) 2nd phase.	194	
2. No. of heifer rearing units completed.	111	
3. No. of farmers trained in Poultry, House Dairy etc.	450	
4. Subsidy allowed (for Sl.No.1&2) in	Rs. 1,40,752=00	
5. Establishment charges pay & allowances, office and other charges for Sl.No.11.	Rs. 2,52,621=63	
<u>III. Tribal Sub Plan and Spl. component Plan.</u>		
a) Tribal sub plan.		
1) No. of pig keeping units established.	15	
2) No. of Goat keeping units established.	132	

Sl. Programme/Schemes/Item. No.	Achievement during the year 1986-87	Remarks.
3. No. of 100 layers poultry Units established.	13	
4. No. of A.I. based custom service established.	3	
5. No. of farmers trained.	5	
6. Amount of subsidy allowed for (a)	92,260	
<u>(b) Special Component Plan</u>		
1. No. of 100 layers poultry estab- lished.	28	
2. No. of pig keeping units estab- lished.	39	
3. No. of Household Dairy units estab- lished.	10	
4. No. of Back yard poultry established.	38	
5. No. of farmers trained	55	
6. No. of chaff cutter, subsidised.	3	
7. Area of fodder demonstration plot subsidised.	340 CKattahs.	
8. No. of fodder minikits distributed	50	
9. Amount of subsidy allowed for (b)	Rs. 2,29,131=00	
(c) Establishment charges for (Pay & other charges) for Sl.No.III.	2,25,933=80	
<u>IV. Poultry Marketing Unit.</u>		
1. No. of eggs collected for despatch to central unit.	7,61,889	
2. Qty. of live birds (for meat) collected unit (in kgs)	4,197 Kg.	
3. Allocation to meet the cost incurred for Sl.No.1 & 2.	6,00,000/-	
4. Qty. of poultry feed sold (in kgs)	45,007/-	
5. Amount received for Sl.No.4	87,763=65	
6. Establishment charges (Pay & allowances office and other charges) for Sl.No.IV.	7,33,190=91.	

Sl. No.	Name of the Scheme (with ref. to Head of A/C.)	Brief description of the Scheme (with separate Sd. No. subsidiary to original Sl. No. at Col. No. 1)	Physical target.	Requirement of fund (in lakhs of Rs.)	Sources of Funding with amount		Remarks (Municipal/Block-wise allocation of targets)

## 9.2 - Veterinary Service

Write up on Veterinary activities

Agro-based economy of the District is very much dependent on maintenance of healthy and disease free livestock and poultry population. The Veterinary Services Department through its various Veterinary units like Veterinary Hospitals, Block Veterinary Dispensaries, Addl. Veterinary Dispensaries, Veterinary Aid Centres, Ambulatory Clinic Van Service render best possible Veterinary facilities to maintain and enhance the Livestock resource of the District. The Investigation and Diagnostic units ensure prompt diagnosis of the diseases to combat various contagious diseases of animals including birds. In fine, activities of the Veterinary units are aimed at undertaking treatment of sick livestock, surveying of endemic areas in respect of parasitic and contagious diseases - including undertaking health coverage programme for the livestock brought under different Animal Husbandry schemes including Special Animal Husbandry Programme. Preventive measures to bring down diseases of Public Health importance which are communicable from Animals to Human beings, e.g. Rabies, R.B., Brucellosis, Anthrax also constitute the objectives of the Deptt.

Under Cattle Development Programme the Artificial Insemination Centres attached to different Veterinary Units fulfil to a great extent the need of the Stock Owners.

A Sub-Depot. of Central Medical Stores established in the District maintains steady flow of supply of Medicines etc. to the Field Veterinary Units scattered over the District.

Parasitic Control Unit, Hooghly, functions to undertake survey and adoption of control measures by organising periodical camps in the rural pockets. Imparting mass education in regard to maintenance of disease free stock constitute also a essential part of the scheme.

Under Centrally Sponsored scheme the Veterinary personnel undertake preventive inoculation against Rinderpest, a dreaded contagious disease of cattle. Similarly, Foot and Mouth Disease of cattle which causes immense economic loss in terms of Milk and Bullock power is being controlled to a great extent by routine vaccination with polyvalent vaccine available at subsidised rate.

While formulating schemes for the plan year 1988-89 due regard has been paid to ensuring uniformity of the Veterinary facilities in all the Blocks with special emphasis on Cattle Development by Artificial Insemination work.

Infra-structure present in the District

1)	Veterinary Hospital.....	5 (five)
2)	Veterinary Dispensaries....	34 (thirty four)
3)	Veterinary Aid Centres.....	32 (thirty two)
4)	Ambulatory Clinic Van. ....	4 (four)

ii)	Extension of Artificial Insemination facilities to the Block Vety. Dispensaries and Addl. Vety. Dispensaries.	The Scheme proposes extension of facilities of A.I. to 34 Nos. of Vety. units scattered over the District in the interest of intensive Cattle Development.	34 Units	0.70	0.70	All the 18 Blocks.	Already 15 Nos. of A.I. units are functioning in 18 blocks in different Vety. Dispensaries. These were open on public demand. These centres are not covered by regular sanction of the Govt. favoured by allotment of fund for maintenance of these centres. This problem, the matter has been examined by the Matsuo-O-Pashup Sthayee Samity in pursuance of Resolution of the Sthayee Samity. proposal has already been not to the Authority for recording

1	Huller Subsidy Scheme.	This is a scheme initiated by Govt. of India Deptt. of Food and Agriculture for replacement of existing huller type Rice and Husking mills by giving them subsidy for purchase of Modern Milling Machinery so that quantity of Rice production may go-up and extruction of oil from Rice bran is also made possible.	11(Eleven) cases war allotted for this district for the year 1906-07 but the allotment for the year 1907-68 has not yet been intimated.	The Subsidy is given @ Rs.5000/- per case hence the total allotment for 1906-07 was Rs. 55,000/- but no allotment for the year 1907-08 has been received so far.	Grant received from the Govt. of India.	Continuation of the scheme depends on the grant of fund from the Govt. of India which has not been received.

### 9.6 - Howrah Social Forestry Division

The geographical area of the district Hooghly is 3145 sq. km. As per National Forest Policy there should be about 1,000 sq.km. of forest in the district. About 3 sq. km. of forest is there in Arambagh Sub-Division under the control of D.F.O., Burdwan Division. It is a difficult task to bring more land under Govt. forest since the district is thickly populated and the land is under intensive agriculture.

The wasteland available along roadsides, canal banks, embankments, river banks, Rly. sides and vested waste land are being planted up under Social Forestry project. Nearly 400 sq. km. of land may be available under above category for planting.

#### Field Boundaries -

Tree planting along field boundaries may also be done for the benefit of the rural people. It covers nearly 3% of total area under agriculture. Nearly 50 sq.km may also be planted along field boundaries.

Strip plantations over available wasteland and farm forestry in farmers' land are being done since 1981 mainly under West Bengal Social Forestry Project, Agro Forestry Scheme, N.R.E.P. and R.L.E.G.P. Till 1987 nearly 40 sq. km. are being covered. The work programme for the year 1988-89 is annexed herewith.

A new item of construction of Improved Smokeless Chulhas is included in the programme mainly for conservation of fuel wood in rural villages.

Name of Scheme      Brief Description of the Schemes      Physical Target      Requirement of fund for the year 1988-89      Dist. Plan.      Other Sources.

(Rs. in lakhs)  
R E M A R K S

1.	2.	3.	4.	5.	6.	7.	8.
1. Improvement of R.B. Bituminous Street	Macadam Rd.	420 Mtr.	1.03		Dist Plan	-	1) The roads have been badly damaged during last year's flood and as we have not received sufficient fund to repair those roads necessary repairing works were not undertaken.
2. Improvement of P.C. Mukherjee Road	-Do-	360 Mtr.	0.88		-do-	-	
3. Improvement of Ram Mohan Place	-Do-	430 Mtr.	1.40		-do-	-	
4. Improvement of N.D. Bose Lane.	-Do-	225 Mtr.	0.55		-do-	-	
5. Improvement of drinking water supply	Construction of an overhead Reservoir at C.S. Mukherjee Street (Capacity 200000 ltr)	1 No.	10.00		-do-		2) There is an acute shortage of drinking water supply in this Municipality according to our population & existing source. During 1987-88, we have made a target to drill two large diameter tubewells fund of which will be made available from CUDP. III & District Plan 87-88 (Proposal of which have already been sent to the proper authority) But for proper distribution of the water one overhead reservoir is essential.
6. Construction of Service Privy & construction of pit privy.		200	3.63			Gange Action Plan	
7. Construction of Primary School Building at XIII Ward (VidyaSagar Primary School)	Construction (800 sqt Plinth area)	1 No.	1.12		District Plan.		
8. Construction of Rabindra Bhavan.	Auditorium	1 No.	10.00		-do-		

324

Total 25.00 lakhs (Approx.)

-3-3-

3) For cultural development of this area construction of Rabindra Bhavan is a burning demand of this locality. We have already taken up this programme from our own source during 87-88.

**UTTARPARA-KOTRUNG MUNICIPALITY**

**SCHEMES PROPOSED TO BE UNDERTAKEN DURING 1988-89 UNDER DISTRICT PLAN SHOWN IN ANNEXURE 'D' (Rs. in lakhs)**

Remarks.

Sl. No.	Name of Scheme.	Brief description of the Scheme.	Physical target.	Requirement of fund for 1988-89.	Remarks.
1	2	3	4	5	6
Drainage	1	Construction of Nikashi drain from B.B.L.Rd. upto the end of municipal limit towards north.	Construction of drain with sand filling, single brick flat soling, cement concrete (4:2:1) 1st class brick work in 4:1 cement mortar, cement plastered, neat cement punning etc.	Nikashi drain of length 815 meter to be constructed to remove the water logging of a vast area in this drainage work is necessary.	Only a sum of 25000/- has since been received from District Planning Fund against this Scheme. The work is almost on the verge of completion and immediate release of fund is necessary.
	2	Construction of drain at Nilmoni Shome Street in Ward No.-12.	Soling, Cement concrete Brick work, Cement plaster, Neat Cement punning etc.	Nikashi drain of length 780 meter to be constructed to remove the nuisance and water logging of the thickly populated area.	These schemes are not included under C.U.D.P. -III. If funds are not available now, the estimates may increase due to price escalation.
Water Supply	3	Replacement of old distribution pipes of water supply for different diameter from 50mm. to 255mm.	Taking out old pipes, lowering new pipes, specials etc. lead joining, detachable joints etc.	1,000 Meter	
Health	4	Modernisation of "Jasai Debi" & Mahamaya Sishu-O-Matrimongal Kendra at B.M. Saha Rd. (Mandan Kanan) and B.G.T.Rd. Bhadrakali respectively.	Installation of New beds for treatment, construction of additional block etc.	10 Nos. of beds, 3 rooms, staircase, verandah, toilet block etc.	
Total:-				12.98
